REFRESHER COURSE (COSMETOLOGY) COURSE INFORMATION

REFRESHER COURSE (COSMETOLOGY ONLY) COURSE DESCRIPTION

(SOC 25-1194.00) (CIP 12.0401)

The curriculum involves 250 hours to satisfy Illinois state requirements. The course includes instruction and practical experience in Final Phase, state board, and the Milady textbook. This course is designed to assist students who are required by the State of Illinois who have failed the state practical and written exam three (3) times, to gain additional hours of education in order to re-take the exam.

Graduates will be prepared to be an entry-level cosmetologist.
This course is taught in English. Textbooks and course materials are only offered in the English language.

REFRESHER COURSE (COSMETOLOGY ONLY) OVERVIEW

Course Hours: 250 clock hours

The course is divided into pre-clinical classroom instruction and clinic classroom learning experiences.

- **Pre-Clinical Classroom Instruction:** 160 hours are devoted to pre-clinical classroom instruction where Future Professionals develop foundational knowledge and practical skills through classroom workshops, demonstrations, theory instruction, and guided practice. Instruction emphasizes design principles, technical procedures, safety and sanitation, professional conduct, and readiness for supervised services.
- **Clinic Classroom Learning Experience:** Future Professionals apply classroom learning through supervised practical instruction and guest services. With coaching and guidance from Learning Leaders, they refine technical skills, consultation and communication, guest experience, product recommendations, and professional work habits. Learning continues through mini-classes, feedback, and structured practice.

REFRESHER COURSE (COSMETOLOGY ONLY) OUTLINE

- **Classroom Learning Experience:** This portion of instruction includes weekly tests and is a combination of training from the Milady Textbook, Final Phase, and our State Board Preparatory Class.
- **Clinic Classroom Learning Experience:** Your time on the clinic classroom will allow practical application of the information learned in the Milady Textbook and Final Phase classes, to further understanding and comprehension.
